Opportunities for Everyone

All organisations involved in the production and delivery of our events are aware that participant involvement can necessitate considerable time and financial commitments. We would like access to these opportunities to be open to all and as such would urge you to make contact with your regional association to discuss opportunities for support should you require it. Contact email ann.steventon@btinternet.com Tel: 01707 267746. All enquiries will be kept in strict confidence.
